James,

I purchased these domains on May 24th for an upfront cost of \$49.95 :

nswaterauthority.org

nsh2o.org

nsh2o.com

northshoreh2o.com

These have had monthly recurring costs of \$23.96 per month (4 months so far).

My total cost so far is \$145.79.

Let me know which one you want and I will transfer ownership. The others I will just discontinue, unless you want them all. Personally, I think nsh20.org is the best one. Short & to the point.

Bruce

PS. I sent this from my personal email as it has nothing to do with my position in the Village.

Bruce,

The Authority would like to purchase one of the domain names from you for a fair market price.

Would you please provide the domain names and costs? I know you have been carrying the names and their cost so I'll work to get this done asap.

Thanks, James
